

Oregon Paint Recycling Program
In Partnership With Paintcare

www.paintcare.org

Redmond Habitat for Humanity in partnership with Paintcare Oregon collects paint for recycling with the following criteria.

- Must be in original container with lid and no leaks
- Container must have original label, five gallons or smaller
- Containers must be free of any rust and contain original material

We accept: interior and exterior architectural paints, latex, acrylic, water base, alkyd, oil base, enamel, primers, sealers, shellacs, lacquers, varnishes, urethanes, wood sealers, floor paints and stains.

We do not accept: Containers without labels, rusted containers, empty containers, paint thinners, mineral spirits, solvents, auto & marine paints, glues, epoxies, deck cleaners, aerosol cans (spray paint), caulking, resins, adhesives, two part coatings, colorants, wood preservatives and craft paint.
